How long have you personally known this candidate? _____ I understand that the Upper Room and the EOEE Board strongly encourages spouses to attend during the same walk season. I have approached both husband and wife about attending and understanding the Walk to Emmaus. If spouse is not attending, please explain:

When sponsoring a candidate, remember that the Walk to Emmaus is NOT a means purposely set to correct one's character,

morals, emotions or an unstable marriage or situation. The Walk is a method of giving those who attend a personal encounter with Christ, to fulfill the design of "Christian leaders" in their church, and to help strengthen their church through their leadership. The Walk gives the candidate the tools to bring Christ into his/her own church, life and environment and to share with everyone around him/her. Sponsor signature represents your understanding of the sponsor's responsibilities and your commitment to support the candidate as outlined on the Sponsor's Information Sheet.
