Notes From Lay Leaders

Brothers and Sisters in Christ:

As God's Team for Women's Walk #63 begins team formation meetings, we covet your prayers for each person who will make this journey with us on March 22-25. God has already revealed his amazing faithfulness as He selected every team member for their unique gifts and abilities. We will be focusing on Romans 8:38-39 as our theme verse, encouraging everyone to claim the amazing promise we have been given: when we are in Christ nothing can separate us from His love!

De Colores: Mindy Fullerton and Susan Hume

Fellow Team members,

As we already head into our talk preview, it becomes more evident that we were placed in a position of leadership for Men's Walk 63, to do the administrative work. God is in charge of this Walk and we are just trying to be worthy servants. As Team members and 4th day, it is all our responsibilities to put on a Walk to Emmaus. God is counting on each one of us. We look forward to your prayers and service as fellow members of His Team.

"Come, follow me," Jesus said, "and I will make you fishers of men." Matthew 4:19

Blessed To Be A Blessing

I Have Decided to Follow Jesus... AND Just A Closer Walk With Thee...

How significant is music in any service for worshiping our Lord God? When the Prophet Elisha was sought for answers from God, he called for a harpist. "While the harpist was playing, the hand of the Lord came upon Elisha..." (2 Kings 3:15) Whenever Saul was tormented by an evil spirit, David played his harp and relief would come to Saul; he would feel better, and the evil spirit would leave him. (1 Sam. 16:23). David played as he communed with God as we read in the Psalms. Look at Jesus' entrance into Jerusalem on Palm Sunday...and the Walk to Emmaus...musicians have the privilege to honor the Lord and His servants with their gifts and talents of music. Please check your calendars today and commit your service to the Lord.

Reminder that musicians are needed for send off...Thursday 6:30 and candlelight...Saturday 9:00

25 Years!

August 18th, 2007 will be the date for the 25th Anniversary Celebration. It will be held at Camp Wanake. Reservations are needed and limited to the first 300 people. The cost for the catered meal is \$10.00 a person. Donations for printing, postage and favors are being accepted. Contact Sue Heffner @ 330.724.6544.

ATTENTION LAY LEADERS...

We are trying to put together a historical map of the journey not only for East Ohio Emmaus but also the lives changed through individuals that have taken this walk with the Lord. As leaders what were some of the God moments on your walk? What changes have happened through the years in location, activities, and what have remained solid through the years? What was your theme verse and song?

TESTIMONIES...

All may send testimonies that can be compiled together for a witness of our Lord at work in our lives. We sing hallelujah and praise Jesus!! Send by email to Sue: peacepalace2000@sbcglobal.net

THE FINAL WORD ON NUTRITION

After an exhaustive review of the research literature, here's the final word on nutrition and health:

1. Japanese eat very little fat and suffer fewer heart attacks than us.
2. Mexicans eat a lot of fat and suffer fewer heart attacks than us.
3. Chinese drink very little red wine and suffer fewer heart attacks than us.
4. Italians drink excessive amounts of red wine and suffer fewer heart attacks than us.
5. Germans drink beer and eat lots of sausages and fats and suffer fewer heart attacks than us.

CONCLUSION: Eat and drink what you like. Speaking English is apparently what kills you.
