### Notes From Lay Leaders of Fall Walks

*One word can describe Men's Walk #65 - blessed. Starting Thursday at dinner all the way through Sunday closing the 17 pilgrims and 33 team members were simply blessed. The time we spent following candlelight was different than any I have seen before; filled with nothing but praise and worship. The Holy Spirit was with us. We were blessed. Thanks to all the fourth day who supported us and attended services, came to serve, provided meals, provided agape or provided prayer.*

*We were blessed.*

*Tom Wig and Randy Dessecker*

The pilgrims and team of Women's Walk #65 were blessed with the presence of God from the moment we "entered the ark" on Thursday night. WWJD – walk with Jesus daily – that's what we did and we felt the blessings and we were reassured that all God's promises are true! During the 72 hours we were comforted and healed; we felt God's strength when we were tired and weak. By Sunday we were saturated with God's power and victory! We will continue to live our Walk #65 scripture: "Faith is being sure of we hope for and CERTAIN of what we do not see." Hebrews 11:1 Thank you, 4<sup>th</sup> Day, for the prayer coverage. We were protected and bathed in your love.

### Words From the New Fourth Day.

The closing for the fall walks were a blessing to all that attended. Words used by the pilgrims- "in His arms all weekend", "overwhelming", "most awesome", "God threw the junk out and put His love in", "blessings abound from head to heart", "lost lambs", "I cried for a long time the other night and I have not cried for many years", "learned how to have a deeper relationship", "was away but now much closer", "now I know for sure", "baby steps before". WOW sorry that you may have missed it. The testimonies were great and uplifting. Know that we must continue to pray for them as they enter their fourth day.

While we may be several months from the spring walks, it is not too early to start praying to see who you might be asking. Remember to make a friend, be a friend, talk to Jesus about your friend, then talk to your friend about Jesus. Many working people might need to know about the walk several months in advance so that they can arrange time off. Starting now is not *too early but soon may be too late. Christ is counting on us and we are counting on Christ.*

Please note this change as there may be some old applications laying around. Applications are downloadable from the website EOEE.org.

There was a very gracious lady who was mailing an old family Bible to her brother. "Is there anything breakable in here?" asked the postal clerk.

"Only the Ten Commandments." answered the lady.
