### Lay Leader Reports

Dear Fourth Day

Thank you all for your prayers and agape during Men's Walk#72. We were truly overwhelmed with God's love and His presence on the weekend. He just seemed to keep pouring in a little more and a little more until all of us were in awe of His love. Our God was truly with us, and He is truly mighty to save. We celebrate as He takes great delight in us, quiets us with His love and rejoices over us with singing!

The Men of Walk #72

Dear Sisters and Brothers -

You can't experience such beauty w/o saying a few words.

Our weekend was an amazing experience filled with joy, hope, validation, confirmation, and renewal. I saw God work through so many different personalities and He factored in our mistakes and still chose to use us in unique ways. Emmaus' newest fourth day members are going to bless our community in many ways.

Energy is given and received when the Body of Christ moves! We felt the energy. Thanksgiving and praise is continually rolling off my tongue. Let us celebrate the people that God has placed in our balconies ..for such a time as this!

Know you are loved and appreciated--Sharon Buccitelli EOEE #29
