### **East Ohio Emmanuel Emmaus Men's Walk # 76**

Many years after Columbus "discovered" the "new" world, the pilgrims made the decision to set out on their journey. They left the familiar and the comfortable in an effort to find freedom. They had had enough of the status quo and wanted something more. God's blessing was upon them.

Knowing it wouldn't be easy, they worked together through the obstacles, and persevered daily to enjoy this new-found life. The pilgrims weren't the first to "discover" this new life. Others had gone before them. Just like the early church, they did everything together. Eventually, they spread out to establish 13 colonies.

No, this isn't a history lesson - but a brief recap of the Men's Summer Walk!

Just as in 1776, this weekend the 13 pilgrims of walk 76 also found freedom! They left filled-up and refreshed to return to the work God has for them in their "colony". While not the first, they were the most recent to discover this new life in grace. Rather than seeking independence, they found freedom IN dependence on Christ!

It has been exciting and humbling to see God's hand at work through out the process: in selecting whom HE wanted to serve on team; in developing leaders through team formation; in calling forth the pilgrims HE wanted; and working in our lives to remind us that we are called to freedom not to do as we wish, but to serve one another humbly in love!

We thank God for the opportunity and for HIS faithfulness. Although we're trying not to anticipate, we look forward to seeing what He has in store next!

### **East Ohio Emmanuel Emmaus Women's Walk # 76**

My Name is Ruth Zimmerman and I made East Ohio Emmanuel Emmaus Walk #51 and I sat at the Table of Rachel, but I have just completed East Ohio Emmanuel Emmaus Walk #76. (clap, clap)

Before the weekend began, much of the team gathered at Savage Conference center. We flung the outside door wide and prayed an invitation, to Christ to join us and the pilgrims there for Walk #76.

The team and pilgrims alike, became a "Forever Family" very quickly. We all felt we were on a Family Reunion with God the Father, Jesus the Son and the Holy Spirit. Many times in the weekend pastors and lay persons alike said how they were amazed how quickly the Holy Spirit made His presence known. The 30 Pilgrims were ready and waiting for Him to descend upon them as soon as they arrived at camp. They were open and willing for God to work in their lives, so there was no time wasted.

God provided a place for us, just as he provided the "Big Fish" for Jonah, to rest, reflect and renew for three days. When we were finished He "SPIT" us back out into the world to minister for His good once again.

I pray that God also blessed you through your participation on Walk #76, Team, Pilgrims and 4th Day Community. May he continue to allow you to feel the Holy Spirit walking with you daily in your renewed 4th days.

May the blessings of the Lord be upon You, I bless You in the Name of the Lord.
