Women's Walk 86

And this is my prayer, that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and be pure and blameless until the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ to the glory and praise of God.
Philippians 1:9-11 NIV

Praise God! All the preparation so far has culminated in a God blessed, Holy Spirit directed first team meeting! We had a wonderful day of introductory activities! The best part is that although we just met as a team for the first time, there is a deep, joy-filled, excited bond already. It is evident that each one took seriously the calling God had on their life from the moment they said yes to serve. The bonding that has already taken place in the spiritual realm as a result of praying for one another these last weeks goes beyond human understanding. These wonderful ladies and men came so eager to start learning their servant roles and begin preparations of ourselves spiritually and practically to serve our Lord through the pilgrims He is preparing. We anxiously await the privilege of experiencing how our great God has prepared the way for us as we continue in team formation.

Men's Walk 86

Jesus said, "I am the light of the World. Whoever follows me will never walk in darkness, but will have the light of life."

Praise the Lord for the saints that agreed to serve on Men's Walk #86. The team met twice at this writing and we enjoyed the Holy Spirit's guidance through both meetings. As an example, a few team members could not attend the second meeting. Through the guidance of the Holy Spirit other team members stepped up to fill in where needed, and the meeting went well. The team has begun to bond as one body to serve our Lord. Former team members reconnected and new team member started fresh friendships. Please join us as we continue to pray for both the men's and women's team formation and a large class of pilgrims.

Fellow 4th Day -

Thank you for your support in sponsoring pilgrims for the Emmaus Walk. The Emmaus Walk can be a life changing experience. We would like to ask that when you commit to sponsoring a pilgrim you plan appropriately in order to stay for the entire sponsor's hour service. We have noticed there have been occasions when sponsors have left before the prayer time was completed for all pilgrims. Prayer has always been an essential component of the Emmaus experience, so please join us for the entire service to raise each name to The Lord together. Please remember that the candlelight service starts promptly at 9:00 pm so please arrive early to be sure you have a seat and are in an attitude of prayer for the pilgrims. We understand that occasionally issues may arise that prevent some from getting to the camp on time, but let us try to be diligent and prompt in our attendance to all sponsor's events. With grace we ask these very important things of the community.
