Sponsoring

Please begin in earnest to pray for pilgrim sponsorship for the upcoming EOEE Walks. Remember that 2 forms are required to be completed in their entirety and that a Pastor's signature must be on the pilgrim form for acceptance along with a deposit toward the **\$140** fee. These forms can be printed from our web site: www.eoee.org. Also pray for these pilgrims in their walk of faith realizing that the purpose of the Walk to Emmaus is to build leaders in their local church. Pray for sponsors as they are making a commitment to attend sponsor's hour, candlelight, closing and also gather agape for their pilgrim. Please note that completed applications need to be submitted in a timely fashion to:

The pilgrim spots fill quickly especially for the women, so please don't delay. Let's all pray for the mighty work that has already begun, and for the teams that are being equipped to serve on this walk weekend. Thank you in advance dear Brothers and Sisters.

Message from the Board

Over the years all of you as the 4th day community of EOEE have been very generous in your giving. Not only have you been generous financially, but you have also been generous with various items that can be used to decorate the dining hall, tables, Chapel and other areas during the Walk Weekends. Right now, we are challenged with storage space for those items. Going forward we will not be able to accept any donations for decorations to be left at Camp. Please do not leave any decorations at Camp. Unfortunately, we will have to discard any items left at Camp. We appreciate your thoughtfulness in wanting to make those various items available for future Walks and ask that you do so in the following way. If you have something that you would like to make available for use by future Walks, please take a picture of it along with your name and contact information and make it available to the EOEE Board. We will keep the pictures of those items in a binder with your contact information for each Lay Leader and Walk team to review and make contact if they would like to borrow it from you.

Hey EOEE Community!

It's time to step up and support North East Ohio Chrysalis!

How can we do this you ask? Glad you asked!

- 1. PRAY, pray for a Youth that you can sponsor. Pray for the teams that are forming. Pray for God's work to continue.**
- 2. Spread the word to everyone you come across. Start at your church and tell your Pastor, Youth Leader, Sunday School Teachers and parents. Let them know that we have groups that will meet with them to discuss and talk about the benefits of sending youth to a Flight.**
- 3. Spend time making Agape.**
- 4. Give us your name and contact information so you can help us behind the scenes at camp during the weekend.**

With the challenges our kids face these days, we NEED to get them heading in a good direction, following our Lord. So, it's time for US to show our support.

If you have any questions or wish to sign up to help, please contact me at

rac.rac1964@gmail.com or 330-936-9375.

Thank you in advance for your support.

Fly with Christ!

Continuing Education - Model:

Why do we follow a model? Because our community pre-dates the actual Walk to Emmaus, we do not follow some of the normal procedures that come out of Nashville. Some of these are minor...such as song choices for sendoff or during Candlelight. But does this mean that we do not have a model?

No, we have a strong model that has served almost 200 Walks so far. It is a blend of the Nashville model and our own traditions. The Upper Room has allowed us to continue our traditions and variations because we mostly follow the modern governance. It is our duty to continue to follow this adapted model and to not add or subtract to it.

How do we know if we are following the model? The script for the weekends, used by the lay leaders and SDs, is well established. It could use some editing but for the most part it helps keep the Lay Leader on track and ensures that our local model is followed. Overall, the Board Rep is the one who bears the brunt of the responsibility of ensuring the model is fulfilled and is supporting the weekend.

A few weeks prior to the weekend, the LLs and their Heads gather to do a schedule review. The entire weekend is covered moment by moment. This is the time when everyone can ask the questions about specifics of weekend events. If you are thinking about adding something in, ask about it here! Even if you have seen it on a past weekend, don't assume that it is model. If it's not in the schedule, it is likely outside of the model.

Occasionally, we have seen costs and expectations get overwhelming for team members. Sometimes it's for decorating and, more often for "gifts". Any team gifts should be kept to a minimum. Lay Leaders do not need large gifts to make the weekend "special"—God takes care of that!! We need to be aware of costs, for some, just Team fees are a burden! Lay Leaders get a bell and a banner, how much more do they need? The Emmaus Canon tells us not to raise anyone above anyone else.

Table leader's gifts are definitely outside both the Upper Room AND our models. Outside of normal agape there should never be gifts from the Table Leaders. It can cause issues between tables and again can be a burden to some team members.

Again, our hope from this kind of Board review and education is that we can continue to do our role: supporting weekend teams and ensuring that we have consistency on the weekends. Emmaus is a special tool used by God in a unique way. Let's all do all we can to stay true to what has worked for the past 30+ years.

The Walk to Emmaus is having a cruise to celebrate 40 years of Walk to Emmaus! The cruise is March 28 – April 1, 2019. There is a printable brochure online if you are interested.
