Message from the Board

Over the years all of you as the 4th day community of EOEE have been very generous in your giving. Not only have you been generous financially, but you have also been generous with various items that can be used to decorate the dining hall, tables, Chapel and other areas during the Walk Weekends. Right now, we are challenged with storage space for those items. Going forward we will not be able to accept any donations for decorations to be left at Camp. Please do not leave any decorations at Camp. Unfortunately, we will have to discard any items left at Camp. We appreciate your thoughtfulness in wanting to make those various items available for future Walks and ask that you do so in the following way. If you have something that you would like to make available for use by future Walks, please take a picture of it along with your name and contact information and make it available to the EOEE Board. We will keep the pictures of those items in a binder with your contact information for each Lay Leader and Walk team to review and make contact if they would like to borrow it from you.

Dear Emmaus Brothers and Sisters in Christ,

Mike and I are amazed to know that as God prepares the hearts of the Pilgrims, His Spirit is also powerfully moving in the men of Walk #95! We are grateful to be surrounded by men who are open to His leading so that He may do His mighty acts through us. We are two meetings in and the power of the Holy Spirit is present. Please keep the Pilgrims, our team and especially Frank Hardin in your prayers as he recovers from a medical issue. The evil one is not happy but we have a God who will accomplish His will for Walk #95. We just have to keep our minds Stayed on Him. Thanks for everyone God will use in the community this October to Bless the Pilgrims.

Frank Ballard and Mike McCullough

Dear East Ohio Emmaus Community,

Psalm 18: 1-2 speaks the words: I love you Lord, my strength. The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold.

The team meetings and team formation have begun with a team filled with a beautiful and reverent spirit that has helped us to be more aware of our reliance upon our loving God, our strength and Rock. As we have met together, it has been evident that God has called and ordained these faithful women to serve on the EOEE's Women's team #95 as new friendships have blossomed and old friendships have been renewed. Our growing focus is on the mission of preparing ourselves to serve both God and the Pilgrims that are being called to this October Walk. We ask for and thank you for your prayers as we continue this journey of preparation for completing His plans for Walk #95.

Dawn Crum, Assistant Lay Leader

Continuing Ed: Board & Committee roles

As we have been covering many of the events of the weekend, this episode of continuing education will focus on the board itself. Just like Paul says in 1 Corinthians 12, “There is one body but it has many parts. But all of its many parts make up one body.” Each role is unique but each role is important.

Community Lay Leader – Current chairperson of the board. It is one year in a three-year cycle. The first year they are Asst. CLL, the next they are the Chairperson, the final year they are Ex-officio. The CLL provides leadership and guidance to the board and communicates with the Upper Room. By rule, this person is always a past Weekend Lay Leader and is voted to the 3-year journey by the board.

Asst. LL – Chairperson in training. Main roles are to learn and fill in for the LL where needed. Responsibilities vary from year to year but the ACLL moves to the Chairperson role in year 2.

Ex-Officio – In the year after they are chair, the past LL moves into this role. They are an advisor to the current CLL. They manage the very important Team Selection committee, guiding and training the upcoming WLLs.

Team Selection Committee – This committee is made up of the three CLL people but is led by Ex-Officio. There is also a group of mentors that make up the standing committee. All are former WLLs. Each is assigned to WLL as soon as they are named. Their job is to advise and coach the WLL as they go through the 18-month journey of ALL and WLL. The committee as a whole goes through each month of the process, ensuring that upcoming leaders are on task and assisting in any way that they can. Most of their work is not in committee meetings but in regular communication with the upcoming LLs. This committee is also responsible to reviewing Board reports from the past Walks and ensuring that we do not have repetition of past issues. Outside of the CLL, ALL and Ex-Officio, this committee is made up of non-board members.

Secretary – The secretary keeps records of the Board Meetings for the community. This is required for our 501C3 status and provides long-term records for our Board to go back to in the future. These notes are sent out to the Board prior to the next meetings and approved by a vote.

Treasurer – The Treasurer keeps a record of all our incoming and outgoing funds. They arrange for our yearly outside audits and ensures that we are following the proper bookkeeping for our tax-status. They track the payments coming from teams and pilgrims, making sure that each team is accountable. They also handle our down payments for the camp rental.
