The pilgrim spots fill quickly especially for the women, so please don't delay. Let's all pray for the mighty work that has already begun, and for the teams that are being equipped to serve on this walk weekend. Thank you in advance dear Brothers and Sisters.

Brothers and Sisters of E.O.E.E.,

I am so very grateful for all of you making Men's Walk #95 such an amazing experience. Your prayers, presence and agape love was used by God to impact the lives of the Pilgrims. It was such a powerful feeling to watch God's team come together with the Pilgrims in so many ways. Hearts and minds were opened to Jesus' mighty acts of healing, love and grace for one another and He got all the glory! Please keep the team and Pilgrims in your prayers as we continue to persevere in our 4th day. The Spiritual warfare continues but we will our hearts and minds stayed on Jesus as God's word promises, "You will keep him in perfect peace whose mind is stayed on You, because He trusts in You. God's richest Blessings to you all.

Frank and Mike

Dear East Ohio Emmaus Community,

The women of Walk #95, team and pilgrims, are thanking God for a spirit filled weekend! The weekend was opened by the sounding of the shofar and declaring that the Lord is our Rock. Throughout the walk we witnessed and experienced God's almighty power and love explode through God's team in their service and love to our pilgrims, 28 pilgrims who arrived like flower buds at different levels of apprehension. Through sharing, laughing, crying, loving, singing and praying, sharing of meals, a few posters, and God's almighty power and love, the pilgrims are blooming and growing. God was our Rock and was present throughout our 3 days. God provided and blessed us with breakthroughs, resolution, healing and bonding, as HE was and is our fortress, our deliverer, our shield, our horn of salvation and our stronghold.

We are grateful to you, the 4th Day Emmaus community, for your prayers, agape, love and support. We are praising and giving glory to our Lord God for the women's walk #95, for all that He did as we served and received His blessings.

Psalm 18:1-2 I love you Lord, my strength. The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge, my shield and the horn of my salvation, my stronghold

De Colores! Your sisters in Christ,
Stephanie Bradford, Lay Leader
Dawn Crum, Assistant Lay Leader

East Ohio Emmanuel Emmaus will be asking for donations towards "The Gift" at both Candlelight services and at the November Gathering. Please read the information below.

Empowering leaders to be the hands and feet of Christ.

The Gift Fund

A love offering for emerging communities around the world.

Make giving to "The Gift" a part of your fourth day!

In all of the Emmaus Ministries, participants are called to consider new ways to live out Christian action by making Christ's love real in the world. One way to respond is by contributing to "The Gift," a fundraising initiative led by the International Office of Emmaus Ministries of The Upper Room. "The Gift" ensures that Christians throughout the world can enjoy the fruits of these transformative experiences.

When you contribute to "The Gift" fund, you help others respond to their call to Christian leadership. Your financial support assists emerging communities with start-up needs such as leadership training, program resources, and more. Join fellow pilgrims and butterflies in sustaining and growing this meaningful ministry.

Did you know?

- More than one million Christians in 39 countries have experienced a Walk to Emmaus or Chrysalis weekend.
- Emmaus Ministries are funded by participant fees and "The Gift" fund.
- The Upper Room does not receive any apportionment funds from The United Methodist Church or any church denomination.

In 2017, generous people like YOU, gave \$123,369.22 to help Christians around the world experience the grace of God.

Your Gift Funds at Work . . .

As groups like Boko Haram and ISIS threaten to spread violence far beyond North and West Africa, church leaders in Central Africa are organizing to form a line of prayer that reaches from the east to the west coast of the African continent. Nigel Warr, the regional leader of Emmaus Ministries in Africa explains, "Church leaders had a vision to develop a barrier to stop ISIS from spreading further south, and they identified The Walk to Emmaus as a leadership development program to create leaders in Central Africa and to encourage people to get more involved and spread the word of Christ in this region." Over the past two years, donations to "The Gift" provided scholarship funds and helped cover travel and lodging expenses to launch Emmaus communities in Africa, Central America, and South America.

Walk to the Manger

Message from the Board

Dear 4th Day,

Are you someone who would like to be involved in the East Ohio Emmanuel Emmaus Community, but simply do not have the time or are not physically able? Please prayerfully consider contributing financially to this ministry. As with most things, the cost associated with putting on a Walk Weekend continues to rise. The Board of Directors continually reviews costs in an effort to minimize the cost that is covered by Pilgrims and Team alike. Your contributions to EOEE would help to cover associated costs of insurance, weekend supplies and other costs associated with putting on a Walk weekend. Our intent is to keep the cost of a Walk weekend as low as possible so that it is not an obstacle for Pilgrims or Team members. Thank you in advance for considering financial assistance for this ministry.

If you feel lead to contribute, please make checks out to East Ohio Emmanuel Emmaus (EOEE) and send your contributions to:

Continuing Ed: Board & Committee roles

The Board exist for one purpose: to enable Teams to serve the Pilgrims on the Walks. Our job is to clear the obstacles, provide the proper support and guidance and to allow the Team to be the hands and feet of Christ.

Pre-Walk—PW manages the incoming flow of Pilgrims for Walks. They are the first line of contact, reviewing the applications, making sure they are properly filled in and signed and keeping a count of how many will be going on the Walk. They communicate with the Board and Communications to get the word out when Walks are low in numbers. They track the payments as well and turn the Pilgrim money into the treasurer. When the weekend starts, they are responsible for checking in all Pilgrims and Team and collecting any final payments from Pilgrims that drop.

Walk Committee—Walk Committee does the hard work, starting even before the weekend starts. Walk sets up the Camp with all the normal equipment and supplies. Agape room, signage, barn setup, etc. They do not set up chapel (handled by the Chapel Team), the Kitchen (handled by the Kitchen team) or any Tech (handled by Tech committee), but they do everything else. When a weekend starts, they manage most of the 4th Day activities, while the Teams handle the inside stuff. On Saturday night, they are the only people to break the cloister of the conference room when they set up and start the fire while the Pilgrims are at Candlelight. At the end of each weekend, they prep the camp for the next weekend's Walk or they pack it away for the season.

Post-Walk—This team is responsible for the 9 or 10 monthly Gatherings. In many ways, they are the busiest of the groups since they have so many more events to manage. They set up tables and chairs and ensure that there are speakers and Pastors for each Gathering. They also find a church to volunteer to host the Walk to the Manger program in December.

Unseen but very important roles:

Procurement—Procurement has a long list of materials and supplies that they have to manage to keep our Walks moving. Everything from Team Manuals to cups and plates and crosses, they ensure that all of the necessary items are supplied. Each LL gets a list of materials that will be supplied for the weekend. If it's not on the list, it's up to the LL or Teams to supply.

Communications—Communications handles all contact with the 4th Day. Newsletters, Facebook, email lists, etc. They provide the vital communication link for the community. In the future, they will also manage the website as well.

Tech Support—Tech support is in charge of all audio and video work for the weekends and gatherings. They make sure the gear is performing properly and train teams in how to use it.

Agape—Our Agape person manages the agape that we send out and receive from communities all over the world. As cool as it is to get something from South Africa or from a prison in California, it is just as cool for them to receive one from US!

These are the roles that make up the Board of EOEE. ALL ARE IMPORTANT ROLES! We are each pieces of the Body of Christ that reaches out to the Pilgrims on each Emmaus weekend. We appreciate all that each of you do to make disciples of Jesus Christ to the world.
