When sponsoring a candidate, remember that the Walk to Emmaus is NOT a means purposely set to correct one's character, morals, emotions, or an unstable marriage or situation. The Walk is a method of giving those who attend a personal encounter with Christ and to fulfill the design of "Christian leaders" in their church, and to help strengthen their church through their leadership. The Walk gives the candidate the tools to bring Christ into his/her own church, life and environment and to share with everyone around him/her. Sponsor signature represents your understanding of the sponsor's responsibilities and your commitment to support the candidate as outlined on the Sponsor's Information Sheet.
